Rachel -

In addition to Acting Regional Administrator Alexis Strauss, I believe our Chief of Staff,

Jessica Kao and the Director of our Superfund Division, Enrique Manzanilla, and perhaps a few of his Superfund management team who oversee Superfund Sites in the Congressman's District will also be participating. I will provide you with a complete list of meeting attendees and their titles in advance of the meeting. Thank you for confirming that **10:00am on Thursday, June 2nd** will work for the Congressman. I would imagine that Congressman Amodei would like to get an update on the Anaconda/Yerington Mine Site and perhaps Eureka Smelters. Please let us know if there are other issues of interest that the Congressman would like updates on, so that we can be sure to be prepared to discuss any other issues of interest.

Hi Brent - Congressman Amodei will be available at 10:00am on June 2nd. Will it just be the Acting Regional Administrator in the meeting, or will someone else be joining?

Thank you for your help in arranging this,

Rachel -

Just a quick note to follow up on my message of yesterday regarding a scheduling request for Congressman Mark Amodei. Please see my message below with details on the availability of our Acting Regional Administrator Alexis Strauss when both she and managers in our Superfund Division would be available at either **10:00am - 11:00am or from 2:00pm - 3:00pm on Thursday, June 2nd**.

Please let us know if one of those two windows of time will work for the Congressman's schedule while he is in San Francisco. I look forward to hearing back from you to confirm a time that works.

Jared Blumenfeld forwarded your scheduling request to me. First, I wanted you and the Congressman to be aware that Jared's last day as Regional Administrator for EPA Region IX was Tuesday of this week. Going forward, our Acting Regional Administrator is Alexis Strauss. I have checked with Alexis' Executive Assistant, Abi Gaudario on her availability on Thursday, June 2nd when Congressman Amodei will be in San Francisco, and Alexis and managers in our Superfund Division would be available at 10:00am - 11:00am or from 2:00pm - 3:00pm on Thursday, June 2nd.

Please let me and Abi Gaudario know if either of these two windows of time would work for the Congressman's schedule. I am also including the contact information for Abigail Gaudario who is the Executive Assistant for Acting Regional Administrator Alexis Strauss.
